

# Uganda *CharityTours*

...beyond just travel

If you seek a combination of voluntary community experience and the traditional elements of travel and tourism in Uganda, then **Uganda *CharityTours*** is your perfect tour partner.

It's only **Uganda *CharityTours*** that will give you a firsthand experience of development initiatives by communities and how generous gifts from the west have been used by charity and development organisations to transform lives.

You then explore with us the land gifted by nature: From the **magnificent beauty of the Murchison falls on the Nile**, the longest river in Africa, only second to River Rhine, watching crocodiles basking in the sun **and giraffes graze the grasslands to game driving in Queen Elizabeth National Park** in the great East African rift valley.

From bird watching on the **boat cruise on the Kazinga channel** and Ramsar site's Lutembe beach **to Kibale Forest National Park; home to the greatest primate variety and density in East Africa.**

Whether you're **planning your first-time African tour** or a return visit, one person, a family, school or church group, you will find our tour package and suggestions amazing. From the moment you land at Entebbe international airport, with its equatorial location on the forested shores of island-strewn Lake Victoria, it's clear that Uganda is no ordinary safari destination. And **Uganda *CharityTours* ensure that the economic costs incurred in making your trip are justified!**

Yet **another worthy reason** you should travel with us is that we commit 30% of the proceeds towards the **Brian Mutebi Dream Scholarship Fund**.

The **Fund** managed by the charity organisation; Education & Development Opportunity—Uganda provides financial support to needy students in Uganda to enable them complete their studies and realize their Education dreams. So your choice to tour Uganda with us will have lasting impact.

By the time you complete your expedition in Uganda, **you will truly agree that there is no substitute for the senses of accomplishment and renewal you feel when you return home** with a new perspective and deeper appreciation life's gifts that touring Uganda with **Uganda *CharityTours*** gave you!

*30% of the proceeds go towards the Brian Mutebi Dream Scholarship Fund that provides financial support to needy students to enable them complete their studies*
